STUDENT AMBASSADOR

Microsoft Learn Student Ambassador

Intro to MLSA

Speaker: Kofi O. Adjei-Boateng

About:

- ❑ Microsoft Learn Student Ambassador
- ❑ Biomedical Engineering Student

Skills & Interests:

- ❑ Python Programming
- ❑ Internet of Things
- ❑ C

Session Summary

- ❑ The Microsoft Learn Student Ambassador program
- ❑ Advantages of Microsoft Learn Student Ambassador Application process
- ❑ After becoming a Microsoft Learn Student Ambassador
- ❑ Levels of MLSA
- ❑ Microsoft Learn
- ❑ Imagine Cup
- ❑ Q & A session

The Microsoft Learn Student Ambassador program

The **Microsoft Learn Student Ambassadors** program is a global group of on-campus ambassadors who are eager to help students and their communities, lead in their local tech circles, and develop technical and career skills for the future. As a Student Ambassador, you might find yourself organizing a campus or community hackathon, mentoring other students, or volunteering with an elementary school STEM class.

Application

Application Notifications

- Applications received after February 28, 2021 will be considered for admission to the 2020-2021 program with a start date of April 2021. Selected candidates will be notified by email approximately one week before the respective start date.
- U.S. F-1 students should check with the Designated Academic Institution Official at the International Student office of their Academic Institution (or their own personal immigration legal counsel) to see if participation in this Program would constitute a violation of their F-1 status. A violation may not only impact a student's ability to continue with their F-1 studies, but may also affect his or her eligibility for future U.S. immigration-related benefits.
- The application will be automatically saved, you can leave at any time and come back later to continue your application.

Privacy and Terms

Thank you for your interest in the Microsoft Learn Student Ambassadors program. If you would like to become a Student Ambassador, please fill out this application with valid information. Please note, not all students who apply will be accepted into the program. If you have any questions about the Student Ambassadors program, please contact sa-help@microsoft.com.

All applying students must

- Be at least 16 years old at the time of submission.
- Be enrolled full-time in an accredited academic institution (e.g. College, University).
- Have valid identification.

Your information is subjected to the [Microsoft Privacy Statement](#). When you submit this application, your information will be shared with the Microsoft program lead who manages Microsoft Learn Student Ambassadors selection in your region. They may ask for additional information to evaluate your suitability for the program. If your application is not accepted, all the information you provided will be removed from our servers within twelve months of the application submission date. If you would like to request removal of your application data at any time, please send
